

Shower Wiper & Hook SHSQUEEGCP

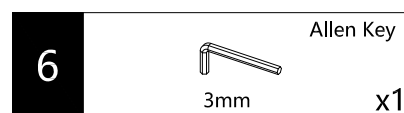

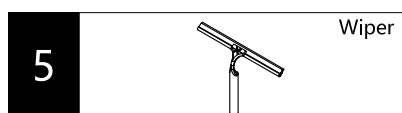

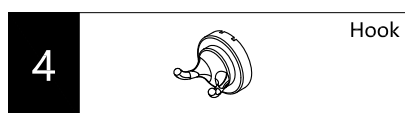

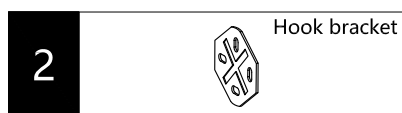

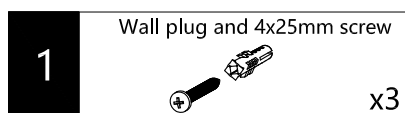

CARE & MAINTENANCE

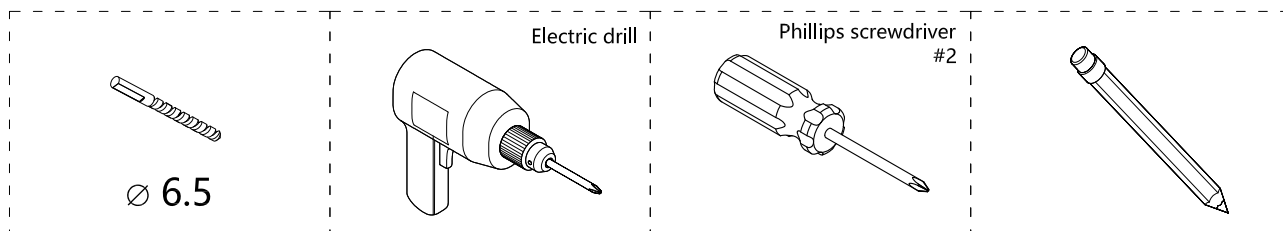

The chrome we use on our products is very durable, nevertheless care should be taken when cleaning them. They should be cleaned only with warm soapy water followed by rinsing with clean water and drying with a soft cloth. All finishes are vulnerable to acid attack and some strong substances such as household cleaners, bleach, disinfectants, denture cleaners, hair dyes etc can and will impair the surface quality.

WARNING:

Please check for any hidden pipe or cables before drilling holes in the wall. When using power tools always follow the manufacturers user instructions.
